[lakshayahuja210703@gmail.com](mailto:lakshayahuja210703@gmail.com) ◇ <https://www.linkedin.com/in/lakshayahuja/> ◇ <https://lakshayahuja.github.io/portfolio/>

## OBJECTIVE

Passionate software developer seeking opportunities to build dynamic user interfaces and contribute to impactful, scalable web solutions.

## EDUCATION

### DSEU

Dwarka, Delhi

2021 - 2024

## SKILLS

Front-End	React, JavaScript, HTML, CSS, Tailwind/Bootstrap
Back-end	JavaScript, Node, Express, MONGODB, Docker
Others	Git, GitHub, Restful API's, SDLC, SQL

## EXPERIENCE

### Packaged App Development Associate

Accenture

Aug-2024 - Present

Gurgaon, HR

- Designed, developed, and customized enterprise applications, focusing on Business Requirement.
- Configured workflows, forms, and automation in ServiceNow to improve IT service management.
- Application Configuration: Managed initial setup and environment-specific configurations to align with business requirement
- Debugging: Resolved complex issues involving app, systems, and network dependencies, minimizing downtime.
- Best Performance: Awarded as a best performer from Accenture Leadership.

### Flutter Development Intern

RNH Tech Group

Feb-2024 - Mar 2024

Remote

- UI Development: Designed responsive app screens and ensured UI/UX consistency.
- Collaboration: Worked with designers and team members to align on functionality and design.
- Testing and Documentation: Debugged issues and contributed to project documentation.

### Tech Support Intern

GaoTek Inc.

Sep 2023 - Dec 2023

Remote

- Web Development: Built and customized static pages using WordPress to meet project needs.
- Leadership: Promoted to Senior Lead; managed intern tasks, timelines, and quality checks.
- Mentorship: Guided interns with feedback and helped improve their performance.
- Team Coordination: Acted as a bridge between interns and senior team to ensure smooth execution.

## PROJECTS

**Study Material** Study Material is a documents facilitation site to study for their academics which includes Syllabus, Academic Calendar, Documentation, Notes. ([Try it here](#))

**Portfolio Website** A portfolio website showcasing my work includes detailed projects, a comprehensive list of skills, and my contact details. It also features links to my social media profiles for easy networking and professional connections. ([Try it here](#))

**University Website Clone** This site is to showcase my skills of replicating a pre-defined design. Also, it's a group project initiated by me and my mates. ([Try it here](#))
